Appln. No. 09/683,992  
Docket No. GLEM-0020/121992

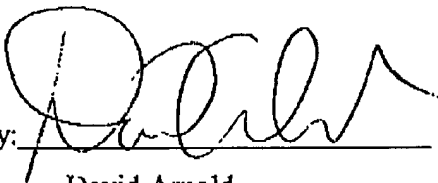

The Examiner remarks that the allowed claims are allowed because the prior art fails to teach or make obvious certain elements of each respective allowed independent claim.

While Applicant agrees that presented claims pertain to allowable subject matter, Applicant respectfully submits that to the extent that the Examiner's remarks suggest or state that certain limitations or combinations not found in the prior art are present in each and every allowable claim, whether or not specific language to that effect is found in every allowable claim, the record as a whole must be considered in addition to the Examiner's remarks, and, to the extent that the record as a whole is clear and complete, it shall control the interpretation of any and all allowable claims.

Respectfully submitted,

CANTOR COLBURN LLP
